Re: United States Patent Application No. 09/740,221

Title: COMMUNICATION SYSTEM  
ARCHITECTURE FOR VOICE FIRST  
COLLABORATION

Assignee: Mitel Networks Corporation

Dear Examiner Choudhury:

I believe that my colleague, David Johnson (Registration No. 61,009) spoke with Examiner Cardone last Friday and left a message for you to telephone me during David's absence from the office this week. We are trying to set up an interview with you to discuss the attached draft claim amendments responsive to your office action dated February 8, 2008. Please contact me to set up an interview time.
